## **Trustees' report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2020.

### **Chair's introduction**

As we write our annual report, light is appearing at the end of what has been a very long and challenging tunnel, more than a year since the COVID-19 pandemic began. The pandemic has highlighted and deepened inequalities that exist in our society; reminding us starkly how important the work we do is. In the toughest of times, we've been able to provide dozens of refugees and asylum seekers with shelter and support.

Like most small charities, it's been a challenging time for us financially, as we have adapted to the pressures of the pandemic and faced uncertainty as to what is next. We've also had to find new ways of doing things; working remotely and supporting clinically vulnerable residents without other networks around them. It's been a year of significant change for us as a charity too, as we have seen a number of changes in key members of staff and a cohort of talented and diverse members join our board. I'd like to acknowledge and thank all our staff and board members for their commitment and hard work in these tough times.

We could not do the work that we do without the hard work and commitment of our many partners. On behalf of Nottingham Arimathea Trust, a big thank you to all our partners, including BEGIN, Belong Nottingham, British Red Cross (Nottingham & Derby), Derby Refugee Advice Centre, Nottingham & Nottinghamshire Refugee Forum, Nottingham City Council, Nottingham Refugee Week, Soul Food Café and the Street Outreach Team. We would also like to thank the many landlords who lease properties to us, namely, Green Pastures, Framework, The Diocese of Southwell & Nottingham and Tuntum Housing Association. We also want to thank our private landlords who help to make our work possible.

As we look ahead to the future, we are optimistic that we can be part of rebuilding a fairer society post-COVID, and we remain absolutely committed to our mission that no vulnerable migrant should experience destitution in Nottingham. Thank you for your interest in and support of our work.

## **Trustees' report**

### **Structure, governance and management**

#### ***Nature of governing document***

The Trust is both a company limited by guarantee and a registered charity. It is operated under the rules of its memorandum and articles of association dated 22 November 2006. It has no share capital and the liability of each member in the event of winding-up is limited to £10.

#### ***Governance***

The Trust is governed by a Board of Trustees who are drawn from local organisations or have relevant skills or experience, including those with lived experience of refugee flight and destitution.

The Board meets every two months and receives reports on finances, funding and operational matters, with due consideration of arising issues.

Each board meeting considers any conflicts of interest between those items on the agenda and the people in attendance at the meeting. Trustees then decide whether anyone should be asked to leave the meeting whilst the agenda item is discussed and decided upon.

An Executive group also meets every two months to consider operational issues, and to report back to the full Board. The group consists of the CEO, the chair, the vice-chair, the secretary and the treasurer.

The board has appointed a safeguarding lead from among its number, and in 2021 is to establish a number of committees, among which the most significant will be that for Safeguarding.

#### ***Recruitment, induction and training of trustees***

We short list all potential trustees and select new trustees based on their skill sets and experience to enhance the work of the Trust before we make an appointment. All potential new trustees are invited to meet with the Chair for informal discussion on the role and invited to observe a board meeting. Existing trustees then consider whether the proposed trustee should be formally invited to join the board after both the individual and the board have had opportunity to observe one another.

The Trust has developed a trustee induction pack which is given to all trustees upon appointment to the board, as well as a copy of "The essential trustee: what you need to know, what you need to do" (Charity Commission CC3).

Following appointment to the board, an induction is delivered by the staff team which covers how we work in terms of referrals and allocations, support work, additional resident integration support and cultural events.

### **Objectives and activities**

#### ***Objects and aims***

The Trust's main object is to provide supported housing to destitute asylum seekers and newly recognised refugees.

We relieve financial hardship among those seeking asylum, those granted asylum or refugee status and their dependants who are destitute and living temporarily or permanently, in Nottingham and the surrounding area and in particular, but not exclusively by the provision of temporary accommodation, advice, information, support and advocacy.

#### ***Objectives, strategies and activities***

To provide temporary housing for homeless refused asylum seekers in Nottingham while they prepare to submit fresh claims for asylum or access Section 4 accommodation; and to combat homelessness among those, mostly single people, recently granted asylum or refugee status. Additionally to provide supported housing to survivors of modern slavery and/or human trafficking from emergency referrals.

# **The Nottingham Arimathea Trust**

## **Trustees' report**

### ***Engagement of volunteers***

We continue to work with a fantastic pool of volunteers supporting us with administration, mentoring & befriending, events, interpreting, English lessons, marketing, photography, raising awareness of destitution in the community, DIY at our properties and driving/accompanying residents to appointments such as reporting with immigration.

### ***Public benefit***

In the opinion of the Trustees, the Public Benefits arising from the Trust's activities are the relief of poverty and homelessness, and the support of vulnerable people who are trying to move on and rebuild their lives in the UK, including bringing their families over through family re-union (and therefore supporting the right to family life as enshrined in Human Rights Law).

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

### **Achievements and performance**

The COVID19 pandemic has highlighted and deepened inequalities that exist in our society; in the toughest of times, we've been able to provide dozens of refugees and asylum seekers with shelter and support.

We've also had to find new ways of doing things; working remotely and supporting clinically vulnerable residents without other networks around them. Crucially we were quickly able to source phones for all our residents so that we were able to reach them and vice versa. We also ensured that all our properties had the internet so that they had access to Wi-Fi. This remote model of working lasted from March to October 2020, with a brief interlude when we worked from the office, and then remotely again as the nation faced the November lockdown, this continued into the new year.

The support changed from 100% face-to-face to 95% remote. It was a major change that worked well on the whole. Unfortunately, whether it be language, technological skills etc., there were a number of residents who struggled.

Nottingham Arimathea Trust, never having been majorly involved in food, worked in partnership with Nottingham & Nottinghamshire Refugee Forum to deliver food to our residents on Friday afternoons. NAT also provided packs to each resident of anti-bac soap, towels, tissues etc. to improve/maintain hygiene, this was well received by residents. This work was organised by the Support Worker and was delivered by a manager and a team of volunteers each week. It meant NAT was still able to offer face-to-face support.

2020 was also a year of many changes to the staff team:

Caron Boulghassoul, CEO resigned in December 2020

Kinsi Clarke, Deputy CEO resigned in September 2020

Sharon Walia, Housing Manager went on Maternity leave in January 2020

Helena Mair, Office Manager joined the team in August 2020

Sana Ali & Abdullah Saaidi, Support Worker joined NAT in September 2020.

Following the resignation of Caron Boulghassoul in December 2020, we were fortunate to secure the services of Toni Price (now deceased and greatly missed) and Fiona Cameron as joint interim CEOs. In succession, Bea Giaquinto joined us on a similar contract. Trustees are delighted that Bea has now been appointed Director on a permanent basis.

### Financial review

Like most charities, NAT found 2020 quite difficult financially. There was a number of factors, of which Covid 19 was only one. The major effects of the pandemic were good and bad: good, in that many funders who had not been interested in supporting us in previous years, like Barrow Cadbury Trust, offered generous help to enable us to cope during such strange times. On the other hand, as a direct result of the pandemic, occupancy rates for our properties fell because the Home Office wasn't moving people out of their accommodation as they would usually have done following a grant of Leave to Remain, for instance. The void rate in our properties increased, therefore, and remained relatively high for most of the year. Combined with this was what is now seen as an overoptimistic budget for rental income, which trustees took a while to recognise.

We're extremely grateful to our funders who provided funding, often unrestricted, to enable us to change working practices and the way we provided support during the worst of the lockdown period. An unexpected benefit of lockdown void rates was that we could carry out a thorough survey of our properties, and institute a comprehensive repair and renewal programme where it was needed. This was supported by generous funding from Homeless Link.

We are pleased to be able to say that, thanks to the work of Fiona Cameron, our fundraising consultant, and the fundraising committee, and a minor rationalisation of our property portfolio, 2021 now looks much healthier from a financial point of view.

### *Policy on reserves*

Trustees aim to keep three months unrestricted funds in reserve, but that has not been achieved over the last several years, and was even more difficult during the pandemic. Trustees agreed to review this policy in 2021, because it hasn't taken account of what happens to residents and tenants if NAT has to wind up, something which trustees believe it is their duty to consider.

### *Principal risks and uncertainties*

#### **Covid-19 impact on residents and referral**

The pandemic has required more remote working and less use of our offices. Whilst we have adjusted our work practices to this, it has also made it harder to support some individuals. It also halted Home Office evictions arising from asylum claims that are either accepted or refused - we have relied on referrals for both groups and this threatens some of our rental income.

#### **Government Policy Changes**

As our work has links to the Asylum & Immigration Systems, policy changes can affect how we work. The most recent challenge continues to be from the Immigration Act 2016. This tightened control of illegal working, but also removed rights for families who have been refused asylum, which could push them into destitution. We have not previously housed families seeking asylum as the Local Authorities were required to provide this, however this Act opened the potential of family homelessness, such that we would need to explore supporting such families.

# **The Nottingham Arimathea Trust**

## **Trustees' report**

### **Rental Costs for Housing**

We may face increasing rents from some long-term landlords. This is in part due to higher maintenance costs to ensure the properties comply with Houses of Multiple Occupation (HMO) license conditions.

### **Fundraising**

The impact of public sector spending cuts on statutory and voluntary sector services in Nottingham, is affecting us indirectly, as more charities are now chasing trusts & national lottery funders to replace funding from local authority contracts etc. Our main refugee agency partners have experienced further funding insecurity, which is affecting the support they are able to offer to our residents and there is greater competition for grants and other funding to support our work.

### **Statement of Trustees' Responsibilities**

The trustees (who are also the directors of The Nottingham Arimathea Trust for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the trustees of the charity on 10 August 2021 and signed on its behalf by:

## Independent Examiner's Report to the trustees of The Nottingham Arimathea Trust

### Independent examiner's report to the trustees of The Nottingham Arimathea Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2020.

#### Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

#### Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member and Fellow of the Association of Charity Independent Examiners, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements for the Year Ended 31 December 2020

### 1 Accounting policies

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

#### Basis of preparation

The Nottingham Arimathea Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

#### Exemption from preparing a cash flow statement

The charity opted to adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

#### Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

## **The Nottingham Arimathea Trust**

### **Notes to the Financial Statements for the Year Ended 31 December 2020**

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Trade debtors**

Trade debtors are amounts due from other parties for services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Trade creditors**

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted income funds are those grants for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

#### **Pensions and other post retirement obligations**

The charity operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the charity. Pension costs charges in the Statement of Financial Activities represent the contributions payable by the charity during the year.
